SU's first immersion program in the South!

In May, 14 students from Syracuse's College of Arts and Sciences will head south for the inaugural Discover Atlanta immersion program. The trip will give participating students the opportunity to experience the city's rich history and culture, and network with business leaders and Syracuse alumni from a number of prominent Atlanta-based companies. Meet Leslie Walters '15

At Syracuse University, **Leslie Walters '15** is combining two dramatically different passions—medical science and communication. Pursuing a dual major in biology and broadcast and digital journalism, and a minor in Spanish, she had the freedom to carve out her own degree path. “There’s something for everyone at Syracuse, and you can create the experience you want. I didn’t find the same flexibility at other colleges,” she says. [Read more.](#)
